47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

You must allow fair competition to continue. The BIG guys already control the market, Dont give them more leverage over the ones that struggle to keep competitive business alive. I am a retired person and cannot afford these out of control rates Comcast, Att charge. Were looking forward to the day we get fiber for a faster more reliable service which I believe Sonic will provide
